Re: Infringement John Hardy Jewelry Products

Dear Ms. Kamei:

I am in receipt of the e-mails you sent on September 11 and 12 in response to my letter of September 11, 2007 demanding that you cease and desist from activities that infringe on my client's rights. The allegations contained in your e-mails are irrelevant and do not change the situation. I hereby reiterate each and every demand set forth in my letter of September 11, 2007. In the event that you do not fully comply with the demands in said letter by the deadline set forth therein, we will turn this matter over to litigation counsel and instruct them to commence legal proceedings.

Very truly yours,

Robert P. Oppenheim
